To whom it may concern,

It gives me great pleasure recommend the Ditchfield Family Singers to you. I have known the Ditchfield's for almost 14 years as both friends and as guest ministry here at New Life. The Ditchfield family has joined us in ministry more 20 times over these past 14 years and have never been a disappointment.

What I love about the Ditchfield family falls into several categories:

Their **gifting and abilities** can only be described as truly exceptional. Their clear beautiful vocal harmonies are always prepared and presented professionally.

Their **respect for our needs** as a ministry is a genuine priority. When the Ditchfield family leave us following a time of ministry they always leave inspiration and blessing in their wake.

Of greatest importance to me is the **strong sense of anointing** that accompanies Stephen, Bernice and the family as they share the love of Christ in their music and speaking.

I am honored to be called their friend and very pleased to be a reference to their wonderful ministry. Please feel free to call me at any time to discuss the Ditchfield family with you for your ministry needs.

Sincerely,
